Compare Camels with cigarettes you think you like best. They will stand the test against any brand in the world!

Smoke Camels liberally because they can't bite or pinch or leave any unpleasant cigarette after-taste.

Don't look for premiums or coupons. Cost of choice tobacco blended in Camel Cigarettes prohibits their use.

CAMELS sell 20 for 10c. If your dealer can't supply you, send 10c for one package or \$1.00 for a carton of ten packages (200 cigarettes), sent postage prepaid. If after smoking one package you are not delighted with CAMELS, return the other nine packages and we will refund your dollar and postage.

Best Thing for a Bilious Attack.
"On account of my confinement in the printing office I have for years been a chronic sufferer from indigestion and liver trouble. A few weeks ago I had an attack that was so severe that I was not able to go to the case for two days. Failing to get any relief from any other treatment, I took three of Chamberlain's Tablets and the next day I felt like a new man," writes H. C. Bailey, editor Carolina News, Chapin, S. C. Monday Is Artists Night at Chautauqua.
Next Monday night will be "Artists Night" at the chautauqua. The banner attraction of the entire week's program is Alice Neilson, prima donna soprano of the Metropolitan and Boston Opera Companies. Associated with Miss Neilson will be Haylick, one of the most wonderful violinists in the world, and her accompanist Mr. Reddick. These two are said to share honors with Miss Neilson in her recitals wherever the three appear.

Oakwood Singing Convention Meets.
The Oakwood singing convention meets on the fifth Sunday of this month at the Oakwood church. All members and lovers of good music are cordially invited to attend and participate in the days program.

Child Was Lost in the Crowd.
Little Milton McNeese became separated from his parents last night as the crowds were coming from the chautauqua and the police were notified to keep on the watch for him. The little fellow is only five years of age. He was found by the police within a few moments after they were notified. This was the second time the police were called on to find this one boy, the first time being in the middle of the day when the lad wandered away from his home.

Local Lads Get A Severe Licking.
The local high school team was overwhelmingly defeated yesterday afternoon in Greenville in a game of baseball played between the Anderson high school and the Central high school of that city. The boys left for Greenville early in the morning and most of them returned that night. The boys were ashamed to admit the severity of the defeat but it finally leaked out that the score was 19 to 1 in favor of the Greenville boys.

Yesterday was band day for chautauqua people, and, as is always the case, a great day it was, these band concerts being always very popular with chautauqua patrons.

The huge tent was filled to its utmost capacity for both performances, afternoon and evening and Signor Pallaria and his splendid musicians received a very hearty ovation.

His band is composed of the very finest musicians, beautifully trained. They rendered a most excellent program. Signor Pallaria himself is a most picturesque and dramatic director, putting his whole heart and soul into his work, and by his own enthusiasm, he inspires his audience.

On the program for the afternoon was one particularly fine number a description fantasia, the "Calvary Charge," by Linder. In this fantasia could be heard the infantry approaching, with fifes and drummers, then the calvary, the noise of battle and finally the retreat, all given so clearly and distinctly, that one can follow each line of it.

In the forenoon, the lecture, Mr. Wallace Bruce Ambray, spoke on the subject "Canadian Writers in Prose and Verse." Mr. Ambray handles his subject in a most attractive and masterly manner and these morning hours are most interesting, especially to those who love poetry.

Miss Mabelle Conquist entertained the children again for an hour yesterday afternoon, on the lawn of Judge Cox, and this time the subject was "Russian Tales and Folk Dances," and right eagerly did the little folks listen to her stories. Miss Conquist is a most attractive speaker and wins her way to the hearts of the children from the very first.

May Settle Strike.
Detroit, Mich., May 14.—Officers of the Detroit United Railway and of the Union of Street Railway Employees late last night reached a tentative agreement looking to a settlement of the carmen's strike, which began today. Terms of the proposed settlement were kept secret.

Mr. A. M. Pinkston, proprietor of The Palmetto vaudeville and motion picture house, stated last night that he desired to correct rumors that were current on the streets to the effect that he had bought the Anderson theatre. "The only theatre I own in the city of Anderson is The Palmetto, and I wish you would tell 'em so," concluded Mr. Pinkston.

Badly Cut From Broken Bottle.
R. S. Parker, the proprietor of the Luncheonette Cafe suffered a very painful accident last night when a glass bottle broke in his hand and cut into the flesh very deeply, almost totally severing the thumb. The cut was very painful and bled profusely until checked by one of the local physicians.

Springfield, Ill., May 14.—By a vote of 129 to 0 the house of representatives passed the Campbell bill providing for the return to the woman of New Orleans of a flag presented to Gen. Andrew Jackson and captured in 1863 by Illinois troops.

Whooping Cough.
"When my daughter had whooping cough she coughed so hard at one time that she had hemorrhage of the lungs. I was terribly alarmed about her condition. Seeing Chamberlain's Cough Remedy so highly recommended I got her a bottle and it relieved the cough at once. Before she had finished two bottles of this remedy she was entirely well," writes Mrs. S. F. Grimes, Crooksville, Ohio. Obtainable everywhere.
